# WiSE Outdoor Hub

The **WiSE** Outdoor Hub can be used to keep track of staff/contractors and monitor that duties are being carried out correctly. This ensures that rounds are completed efficiently and eliminates the need for cumbersome time-sheets and paper-trails.

**WiSE** Outdoor Hub can be used to manage staff/contractors and provide 'proof of presence' for a wide range of industries and roles.

## Track, Monitor and Analysis...

## Key Features
